PORTABLE PRO 2 POOL LIFT

Item # 946

The Pro Pool Series, Portable Pro 2 lift is an affordable portable lift that provides access to residential in-ground pools and spas. The design of the lift is reflective of the Ranger™ 2 and Admiral™ Lifts and provides for a safe, smooth, and steady out and down operation into the pool. No anchor is needed; the lift is well balanced and when tipped back for transport, it is easily rolled along the pool deck to wherever you may need it.

This lift will typically function on in ground pools where the pool deck is flush with the top of the pool. It does not clear high curbs or walls around the pool.

SCOUT EXCEL POOL LIFT

Item # 943

The Scout Excel pool lift is an ideal choice for in-ground and partially raised pools and spas. The improved design of this lift incorporates a whisper quiet rotation base with the robust lifting design of its predecessor, the Scout 2. This rotation base gives you more freedom to set the lift further back from the edge of your pool in order to accommodate wider perimeter gutters and/or spa benches.

When combined with the adjustable seat height and a full 360° rotation in either direction, the Scout Excel allows you to clear short curbs or walls up to 26-inches high. The Scout Excel accomplishes all of this while providing a clean, sleek look.

Features:

- ADA Compliant
- UL Certified to Pool Lift Safety Standards
- 375 lb. (170 kg) weight capacity
- Whisper quiet 360 degree rotation
- Adjustable seat pole
- Flip up armrests
- All stainless steel construction
- Durable powder coat finish
- Limited five (5) year warranty
- Made in the USA

REVOLUTION Pool Lift ITEM #947

The Revolution lift provides the ability to service both above and in-ground pools and spas. This extremely versatile lift accommodates up to 500 pounds. The Revolution is designed to be self-operated by the individual user.

- With an easy to use 4 button handset, the user is able to control all movement and enjoy a fully independent aquatic experience.
- The Revolution is ADA compliant and UL certified to meet pool lift standard 60335-2-1000.
- The Revolution rotates a full 360 degrees in either direction providing versatility and access solutions.

AQUATREK Ramp ITEM #260

The Aquatrek2 Pool Ramp allows for aquatic wheelchair access and can increase your aquatic therapy classes. The Aquatrek2 Long Pool Ramp system is used to reduce the slope ratio for placement in deeper pools. Using a longer lower platform and an elevation kit, the ramp system can be placed over steps and used in deeper pools.

AQUATREK Step - ADA ITEM #261

The AquaTrek2 pool Steps are available in 5,6, 7 or 8 tread (step) models. Custom constructed for each facility's pool, this unit is both a lightweight and portable addition for aquatic access. Each tread has two black and one yellow nonslip safety strip. The yellow strips are placed on the front of each tread to help make the treads more visible. The color difference enhances the visual perspective.

- Wheels on the bottom of the AquaTrek2 pool Steps allow for ease of movement into and out of the pool.
- The deck anchors are made of Stainless Steel and all fasteners are made of the finest stainless steel.

AQUATREK Wheelchair ITEM #262

The AquaTrek Wheelchair is a full size aquatic wheelchair that has a 24" seat depth with a weight capacity of 350lbs and is ideal for tall adults to create a proper bent knee position.
